## ANNOUNCEMENT

The decision to dispose of all farm and pasture lands has necessitated the Dispersal of this herd of Registered and Grade Shorthorn cattle. It was my privilege to visit the herd on May 19th and after seeing the cattle I feel that it is an honor to be able to invite you to this sale. This is a sound, working and producing herd. In addition to the large numbers of excellent purebred and grade Shorthorns on offer there are two things that will make this sale appealing to prospective buyers:

1. The Herd has been on Record of Performance for Beef Cattle, Federal-Provincial Program, since its inception here in 1956. Every calf within the age limit has been officially tested.

The 1959 bull calves had an average weaning weight of 491 lbs. and an average daily gain on test of 2.41 lbs. The heifer calves averaged 447 lbs. at weaning and had a daily gain of 1.51 lbs. on a winter growing ration. The individual weaning weights and individual gains were very uniform. The 1958 heifers, selling with calf at foot, were exceptionally good on test with an average weaning weight of 409 lbs. and daily gain of 1.65. One heifer in the group has a Conformation Score of 1 and six of them scored 2.

2. The cow herd will be Type Classified by the Canadian Shorthorn Association prior to the sale.

The herd was established by purchasing twenty-five females at the A. H. Colbert Dispersal, Rosthern, Sask., and later six cows were purchased from Hugh Sharp, Lacombe, Alta. The herd was built on selections from these foundation females and their progeny—selecting on a utility basis. The cow herd is outside the year around, receive no grain after weaning. Replacement heifers are kept only from the cows that wintered well, fleshed naturally, and bred regularly, producing a calf every spring. Twenty two-year-old heifers calved out this spring unassisted in any way, every heifer producing a live calf.

The bull and heifer calves not selected for breeding purposes have all been fed out in their own commercial feed lot and have topped the Saskatoon cattle market on every occasion.

The big, strong, well fleshed, good haired bulls that they have consigned to the Regina, Saskatoon, North Battleford and Lloydminster Bull Sales have all been readied for the shows and sales without the use of nurse cows and never has a bushel of cooked feed been used on the farm.

Here is a herd of sound, economical, producing Shorthorns that feature the best blood lines in Western Canada and with large numbers on offer from which you may choose. Let Shorthorn enthusiasts make this sale a part of their 1960 summer program.

J. R. BLACKLOCK, Manager,  
Blacklock Auction Service.

## GENERAL INFORMATION

**Location**—The sale will be held in the huge machine shed at the W. C. Wells Construction Co. Farm, Baldwinton, Sask., located six miles north and two miles west of Wilbert, which is on Highway 40. The farm is 45 miles west of Battleford on Highway 40 and about 30 miles east of the Alberta border on Highway 40. See map on inside front cover.

**Time**—The sale is to be held Monday, July 18th, 1960, commencing at 12 noon Mountain Standard Time.

**Accommodation**—Good hotel and motel accommodation is available in both North Battleford and Lloydminster, both within easy driving distance of the farm. Good hotels are also located at Cut Knife, Neilburg and Marsden. We would be pleased to pick anyone up at any of these points or at Saskatoon if you are coming in by air or transcontinental train. Those desiring reservations or wishing to be picked up phone or write Ernie How, Farm Manager, Baldwinton. The phone is on the Cut Knife exchange.

**Terms**—The terms of the sale are cash. Settlements are to be made with the clerk of the sale immediately at the conclusion of the sale. All stock are at buyer's risk as soon as sold. Your cheques will be accepted.

**Guarantee**—The cattle are in good health. Any known defects will be called to the attention of the buyers sale day. Since this is a dispersal sale everything is being sold at the halter and without further guarantee.

**Health**—T.B. Free Area—all but a very few of the older cows are Calfhood Vaccinated for Bang's. All females over 36 months of age will be Blood Tested prior to the sale.

**Mail Bids**—Those who cannot attend the sale may write or phone Ernie How, Manager; E. R. Henderson, Fieldman, Saskatoon; or the auctioneer. Your instructions will be carried out to the best of our ability.

**Shipping**—Cattle can be left for a reasonable length of time after the sale. Cattle will be cared for and loaded free at buyer's risk or trucks can be arranged.

**Insurance**—E. R. Henderson, Saskatoon, will represent Lloyds of London Livestock Insurance and all purchases may be insured to full value against death from any cause, including transportation accidents.

**Lunch**—Come early and be our guests at noon. Lunch served from 11.00 a.m. to 12.00 noon.

"Fortune" was a member of the winning group of three bulls at the 1954 Calgary Bull Sale where he was selected by Ernie How. He was a great individual and a wonderful breeding bull. There is no doubt but that his daughters will be the attraction of the sale.

### **ALDIE SUPREME (imp)**

First in his class at Perth in 1949 and a member of the winning get of sire. He was imported by S. K. Berry, Lashburn, at a cost of \$8,000 and his first six sons paid the entire cost—selling as yearlings. He sired four Grand Champions and two Reserve Champions at major bull shows.

"Supremist" was bought at the 1951 Lloydminster bull sale where he had been made the Grand Champion of the show. He sold for \$2,150 which was a record price for a Shorthorn in Saskatchewan up to that time. His mother was a member of Syd Berry's best cow families.

**CALROSSIE HIGHLAND PIPER (imp)—Sire of Lot 1**

The top selling bull at the 1952 Perth sale at \$28,000. In three years 35 of his sons sold for a total of \$65,000. They won nearly all the bull championships in major Western Canada shows. His son sells as Lot 1.
